Cost estimation stationary treatment

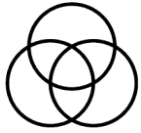

Dear Ms. Valkova,

Enclosed we send you the cost estimation of a possible stationary treatment in the clinic of orthopedics of our hospital. We have to inform you, that in case of changing the diagnostic or increasing the therapy the costs of treatment may be higher.

Please transfer the amount before admission of stationary treatment to our hospital. The possibly existing rest of the amount concerning the cost estimation you have paid will be transferred back to after getting all invoices.

Kind regards

Anastasia Kanikel
